

Implementation and assessment checklist

Years 0 to 8: The New Zealand Curriculum

Keep going in Term 2, 2025

Use the updated learning areas:

- [NZC English: Years 0 to 6 \(Tāhūrangi\)](#)
- [NZC mathematics and statistics: Years 0 to 8 \(Tāhūrangi\)](#)

Review your schoolwide approaches to structured literacy and maths.

Use the structured literacy approaches resources and guidance available online:

- [Overview of teaching resources \(Tāhūrangi\)](#)
- [Literacy resources \(Tāhūrangi\)](#)

Or order more physical copies:

[Down the Back of the Chair](#)

Continue to use the maths resources and guidance available online:

[Structured maths resources \(Tāhūrangi\)](#)

Or order more physical copies:

[Ministry-funded maths resources \(Tāhūrangi\)](#)

Use the new guidance for reporting to parents and whānau.

This includes mapping tables for the refreshed English learning area for Years 0 to 6 and maths and statistics learning area for Years 0 to 8.

[Reporting to parents and whānau \(Tāhūrangi\)](#)

Get ready for Term 3 and 4, 2025

Participate in targeted structured literacy approach PLD (for schools that received the Years 0 to 2 staffing).

Register or apply for PLD structured literacy approaches and maths:

- [Curriculum leadership in Years 0 to 8 English PLD \(pld.education.govt.nz\)](#)
- [English PLD for Years 0 to 6 \(pld.education.govt.nz\)](#)
- [Maths PLD for Years 0 to 8 \(pld.education.govt.nz\)](#)

Plan and deliver your curriculum day(s).

Stay up to date with new online resources on Tāhūrangi: [Implementation supports \(Tāhūrangi\)](#)

Sign up to receive the latest news and information about the support available, including professional learning and development, resources, and funding:

[Subscribe to our curriculum newsletters \(Mailchimp\)](#)

Printed this planner out?

No problem! This QR code will take you straight to the online version, so that you can use all the links as intended.
